### EXAMINER'S COMMENT

#### *Continued Examination Under 37 CFR 1.114*

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on March 15, 2004, has been entered.

### REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest one or more images of said digital images having a unique access code for selectively identifying the location of said server where said one or more of said images are stored, and wherein said unique access code is used to identify the location of said server where said images are stored in combination with all the other elements recited in independent claim 1.

Art Unit: 2851

The prior art does not disclose or suggest assigning a unique access code to said one or digital images for identifying the location of said server where said one or more digital images are stored; allowing selective access to said one or more digital images from a remote location to said server over a communication network using said unique access code in combination with all the other steps recited in independent claim 11.

The prior art does not disclose or suggest a server where digital images are stored, one or more images of said digital images having a unique access code; said unique access code identifying both said server where said one or more images are stored and said one or more images; said server accepting at least one order from a remote computer with respect to said one or more images wherein said unique access code is utilized by said computer for locating said server in combination with all the other elements recited in independent claim 17.

The prior art does not disclose or suggest providing at least one server wherein digital images are stored wherein a unique access code is assigned to one or more images of said digital images; facilitating selective authorized access over said communication network to said one or more digital images using said unique access code for locating said server on which said one or more images are stored in combination with all the other steps recited in independent claim 28.

Art Unit: 2851

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan A. Mathews whose telephone number is (571) 272-2123. The examiner can normally be reached on Monday through Friday from 8:00 AM to 4:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on (571) 272-2258. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
